BIG EAR OF CORN

BIG EAR OF CORN.

The crop of corn on the Gordon farm on Blennerhassett island has been harvested and sold. It was one of the largest crops they have raised for some years, about four thousand bushel from sixty-five acres. Chas. Gordon who has the management of the farm brought an ear of yellow corn to the city this morning which measures 13 1/2 inches in length. It is of the Golde Beauty variety and is perfect in every respect. It is on display at the store of Gordon & Fuller, where he has other varieties of corn on display. Parkersburg Sentinel.

SALTS FOR BURNS.

The occurrence of numerous painful injuries caused by burns leads NEWS to say that great relief from the intense pain caused by them may be obtained by the application of a strong solution of Epsom salts. Put any quantity of water and put in as much salts as it will dissolve. Dip clean cloths into this solution and lay them to the burn, keeping it wet with the solution. Or, wet the salts and apply it.

Are You Suffering From Auto-Intoxication?

The dictionary says that Auto-Intoxication is "poisoning, or the state of being poisoned, from toxic substances produced within the body." This is a condition due to the stomach, bowels, kidneys, liver, or pores of the body failing to throw off the poisons. More than 50% of adults are suffering from this trouble. This is probably why you are suffering from nervousness, headaches, loss of appetite, lack of ambition, and many other symptoms produced by Auto-Intoxication. Your whole system needs stirring up.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

(In Tablet or Liquid Form)

will remedy the trouble. It first aids the system to expel accumulated poisons. It acts as a tonic and finally enables the body to eliminate its own poisons without any outside aid. Obey Nature's warnings. Your dealer in medicines will supply you, or you may send 50c for a sample package of tablets by mail. Address Dr. R. V. Pierce, Buffalo, N. Y.

The latest edition of Dr. Pierce's Common Sense Medical Adviser should be in every family. No reason why you should be without it when you will be sent free to you if you will remit cost of wrapping and mailing—11 cent stamp to Dr. R. V. Pierce, Buffalo, N. Y.

SOMEbody's DARLING.

On last Wednesday morning, Nov. 18th, the pale horse and its rider came forth into the beautiful home of E. P. Webb, of Fallsburg, with a message calling his loving wife to that glorious place called Heaven.

Virginia J. Webb was born Nov. 3, 1872, died Nov. 18, 1914. Was married to E. P. Webb about 20 years ago. To them were born two children, a boy and a girl. She died in the living faith. She was a loving wife, a dutiful mother, a kind daughter and sister. Many lonely hours have come and gone since she fell asleep in Jesus, but the Lord is so good and His grace sustains. We look up through our tears and say, Thy will be done.

She leaves a husband, two children, father, mother, brother and two sisters and a host of friends to mourn her death. Funeral services were conducted by Bro. Winkler, of Ashland, after which the body was laid to rest in the mountain over looking her beautiful home. She was the loving daughter of David and Millie Moore, of Blaine.

A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Lula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

"Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously."

"Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

"If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer."

"For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year."

"Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength."

"Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it."

MONEY RAISING AND

EXTRA SPECIAL!

For Saturday, the first day of the sale, we will place 150 pairs of KNEE PANTS, sizes 3 to 6 only, every pair are 50c grades, only two pair to a customer, at the little sum of, per pair **12c**

DISSOLUTION SALE

Starts Promptly at 8 A. M. Sharp

Saturday, Dec. 5, and Will Continue Until Xmas

The sale will take place at my present store and in the sample room of the Brunswick Hotel building facing the Post Office

I am forced to raise a certain amount of money, as I must pay off my creditors. Next I must pay Harry Kohn, a member of the firm, a certain amount of money. Unless I raise that amount I must step out of the business on Christmas day. This is not one of Jake's gags to sell the goods, but it is a positive fact. In order to do that I was ordered by the creditors and Harry Kohn, a member of the firm, to place the stock on sale beginning SATURDAY, DEC. 5th, and continue until Christmas, at prices that you can not imagine. You can not picture in your mind the bargains we will have during this sale. It is not a matter of making profits, it is only a matter of raising the money in order to meet my obligations. Everybody knows that all kinds of goods are advanced and every merchant at this time of the year gets the highest prices for their goods. Now you will buy the goods at less than half of the regular prices. No man, woman or child can overlook this opportunity. Nuff Ced.

To give you an idea of the astonishing low prices read our small price list which we quote. It would be impossible for us to mention every item on this bill, as that would require a 42-page newspaper; therefore, if any item you can't find on the bill just ask for it. We have one extra room packed full of goods that have never been opened up and everything will be displayed in this sale. Be on hand promptly and get your share of the bargains.

ATTENTION

Owing to the small space we have in our small store to handle the crowds that we expect, we have secured one of the sample rooms in the Brunswick Hotel facing the postoffice, where we will place part of the goods. Look for the big signs bearing the name of "J. ISRAISKY." That will guide you to the right places. Remember that Jake will be here himself to manage this sale. You will be treated with courtesy. And you will be waited upon with proper dispatch. Thousands of people are expected. Are you coming?

EARNING

Don't be misled by any fictitious, so-called, little tail-end sales which may be in progress while our sale is on, as it has always been the aim of some imitators to do so. Prices are never cut until Jake starts them. Now good people of Lawrence County, Ky., and Wayne County, W. Va., my advice to you is to make a rush to this sale, as this will be the greatest money-saving sale in the history of Eastern Kentucky. A word to the wise is sufficient. Just follow the crowds and attend this most wonderful of all sales.

Sometimes the country ruled by a czar has an advantage over a republic. An illustration of this fact occurred recently when the czar of Russia put absolute national prohibition into effect in one day. A marvelous improvement in the condition of the poor people is reported as having already become apparent.

Pike is not only the largest county in Kentucky, but it is also the warmest. If we are to accept the statement of a representative of the State Board of Health, who has been making an investigation. According to his figures 145 per cent of the population examined are infected with worms—hookworm, round worm and whip worm. Otherwise, they are healthy, we presume.

THE SAME IN FORT GAY.

Fort Gay Residents Speak Out for the Welfare of the Public.

It is just the same in Fort Gay as here in Louisa; our friends there speak out in the same plain earnest way as so many grateful Louisa men and women have spoken in these columns for years past.

Dr. R. Frasher, Fort Gay, W. Va., says: "I consider Doan's Kidney Pills the best remedy on the market for kidney and bladder complaint. I have prescribed them in many cases and my patients have taken it with fine results. I also have taken Doan's Kidney Pills with the most satisfactory results and am loud in my praise of them. The residents of this vicinity suffer considerably from kidney and bladder trouble, due to the poor quality of drinking water. I have found Doan's Kidney Pills to be the one remedy that can be depended upon for relief. It has been my experience that all ailments caused by weak kidneys, such as irregular passages of the kidney secretions, gravel, dropsical swellings, lumbago, pains in the back and hips, etc., can be removed by Doan's Kidney Pills. A few doses of this remedy taken immediately when the trouble is noticed will save much misery."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Dr. Frasher had. Foster-Milburn Co., Props., Buffalo, N. Y.

The Young People's Missionary Society met Saturday afternoon with Gladys Land as hostess. Bro. Keith presided, and after an interesting program, Mrs. G. W. Atkinson, Conference 2nd Vice President, gave the girls a most helpful talk on the new duties for the officers. Appetizing refreshments were served.

McSORLEY-MEADE.

On last Thursday, Nov. 24, at the home of Rev. Evans, of Trenton, Ohio, a very pretty wedding took place. The contracting parties were Mr. L. H. Meade, of Ashland, and Miss Belle McSorley, of Buchanan, Ky.

The parents and friends expected Miss Belle to be married at home on Thanksgiving day, but the bride was cunning enough to surprise us all. On Tuesday afternoon while her parents were gone she and two of her cousins, Miss Bessie Torman and Jessie Stewart, left on the N. & W. saying they were going to Ashland. No one thought anything about it. The groom and his brother, Henry Meade, met the girls at Kenova and went on to Iron-ton, where they were met by an automobile and rushed to the Clerk's office and parsonage where they were married. Mr. Meade stayed in Ashland until Thursday morning and the bride and her cousins came home Tuesday night on the C. & O. A nice wedding dinner was served at the home of the bride Thursday. Quite a few relatives were present. Shortly after dinner the bride presented her certificate.

Her parents and friends were greatly surprised to think she had been married since Tuesday.

Miss Belle is the daughter of Mr. and Mrs. Jas. McSorley, of Buchanan. The groom is a very handsome young man of Ashland, Ky. They left Thursday afternoon on N. & W. train No. 15 for Columbia, O., and other points North. They were accompanied as far as Kenova by quite a number of friends.

The writer and friends wish Mr. and Mrs. Meade all the happiness and success which can be bestowed upon them. After returning from their honeymoon they will reside in a pretty home already furnished in Ashland.

After a stay of several weeks in this city Mr. and Mrs. E. C. Clarke and little son Cornthwaite, Saturday left for quinnimont, Va. Their stay in this city was cut short by the completion of the valuation survey of the Guyan division of the C. & O. railway which was done under the supervision of Mr. Clark.

DEEFONEY. You can make a better thing of medicine at home at one-fifth the cost. Merely go to the Louisa Drug Store and ask for 2 ounces (50c worth) of Schiffmann's Concentrated, Expecto-rant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, croup, hoarseness and whooping cough.

One heroic and powerful medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take and it positively contains no chloroform, opium, morphine or other narcotics as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above drugist has been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk in buying this remedy under this positive guarantee.

FLAT GAP.

The weather was smiling, a glad Thanksgiving as your scribe passed through the lovely town of Flat Gap last Thursday. The school children were out to spend a few hours together—rosy-cheeked, loyal and alert. They acquitted themselves very worthily in the rendering of their program. Much to the gratification of the boys and girls, some of the parents and friends were with them. The visitors were treated to the very pleasant rumor that few schools in the county can muster a larger list of excellent grades in deportment for the past four months. We believe the patrons of this school are interested in education with a true vision and a quiet determination that is sure to win.

Among those from away we noticed the Misses Williams and Miss Macie Bond, of Red Bush; Miss Ora Sturgill, of Joe's Creek; Messrs. Proctor Evans and Crate Sagraves. On her way home Miss Bond happened to the misfortune of being thrown from her horse, owing to a scare from a passing automobile. We hope she was not seriously injured.

Mr. and Mrs. Steve Rose and Mr. and Mrs. Ben Wheeler received a visit from Mr. and Mrs. Henry Wheeler and other friends last Thursday.

Messrs. Henry Travis, Ben Wheeler and Master Lon McKinnon contributed very much to the comfort of the school by presenting it with a new blue recently.

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, rub it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen part, and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

OBITUARY.

Death has again visited our town and taken one of our oldest members, James K. Rice, who was born Nov. 26, 1839, and departed this life Nov. 14, 1914. He was converted in the year 1854 and has lived a consecrated life up to the day of his death. In the last moments of his life he said to his son Bascom that he was ready, and when he could no longer speak when I was talking to him he pointed up with his hand.

He was first married to Miss Della Hutchison and to them three sons were born. After the death of his first wife he was again married to Miss Ada Evans. To them were born four sons and four daughters. All of his children were at the funeral but one daughter who was out west and could not get there.

There was not an hour but his wife and some of his children were at his side to help him and his neighbors were so kind to help when anything was needed, for which the family is very grateful. Everything was done that could be done for him. His funeral was preached by the writer of this article, and Rev. H. B. Hewlett, to a large congregation of friends. He will be greatly missed by all who knew him but we know where to find him. May God bless the bereaved family.

LOOK OUT FOR THE CARS

DO YOU know of anyone who is old enough to read, who has not seen that sign at a railroad crossing?

If everyone has seen it at some time or other, then why doesn't the railroad let the sign rot away? Why does the railroad company continue to keep those signs at every crossing?

Maybe you think, Mr. Merchant, "Most everybody knows my store, I don't have to advertise."

Your store and your goods need more advertising than the railroads need to warn people to "Look Out for the Cars."

Nothing is ever completed in the advertising world.

The Department Stores are a very good example—they are continually advertising—and they are continually doing a good business.

If it pays to run a few ads round about Christmas time, it certainly will pay you to run advertisements about all the time.

It's just business, that's all, to ADVERTISE in THIS PAPER

FARMS FOR SALE.

OUR PURCHASE OF 7,000 ACRES AT A FORCED SALE

of rich, rolling land in Scioto county, Ohio, one of the richest counties in the State, has made it possible for you to be a farm owner, at one-half cost per acre of any other like property in West Virginia, Ohio or Kentucky.

HOW OUR LANDS ARE DIVIDED.

For five months we have had engineers dividing up our 7,000 acres of land. Our tract comprising approximately 7,000 acres—a very fine stock farm—and the balance is cut into tracts of as near 40 acres each as possible.

SOME of the MANY ADVANTAGES IN THIS NEIGHBORHOOD.

GOOD NEIGHBORS:—Every farm surrounding the property is highly improved, with good homes and barns, and the owners are kind, courteous, and neighborly.

GOOD SCHOOLS:—No child under the law is required to walk over 1½ miles. If school is farther away the School Board must provide teams to haul the children to school.

GOOD CHURCHES:—Of different denominations, located not farther than two miles from any part of our property.

FINE ROADS:—Well macadamized and on good grades. Fourteen miles from Bloom Switch to the paved streets of Portsmouth, O., over a fine state pike.

TWO RAILROADS:—Baltimore & Ohio Railway and Toledo & Ironville Railway run through the property.

No farm farther than 2 miles from a brick station.

BRICK, COAL AND LIMESTONE:—Brick-yards, coal and limestone operations adjoining this property offer you employment close home during the idle farm season. Ask about the coal and limestone on this property.

GRASSES:—The soil is impregnated with lime and grass takes naturally, especially blue grass.

COMMERCIAL CREAMERY:—You can sell all of your milk to the Oak Hill Creamery every morning provided you deliver it at the railway station, and you will get your check every two weeks.

FRUIT RAISING:—The Horticultural Department of the Agricultural College of the State of Ohio asserts that Scioto and Lawrence counties are the two best adapted counties in the state for apple raising. Ohio is the home of the Rome Beauty Apple.

SOME FACTS ABOUT OUR 1,000 ACRES STOCK FARM.

THE HOME CIRCLE AND ITS INTERESTS.

Column Dedicated to Tired Mothers as They Join The Home Circle at Evening Tide.

Help for World in Christmas Ship.

Elia Flagg Young, Superintendent of schools in Chicago, in endorsing the movement inaugurated by the Chicago Herald, says: "It is a wonderful idea—this promise of a toy ship to carry a message from the children of America to the unhappy children of Europe. And it was presented in a beautiful letter—a letter which every child in the United States and the parents of every child should read and keep."

A toy ship—a messenger from America to Europe, carrying light where all is darkness, peace where all is murder and suffering, love where there is only hate. It is a big thought, big in its immediate purpose, big in its almost unlimited potentialities. I see in it better boys and girls, finer, stronger men and women. I see in it self-denial and sympathy turned from abstract ideals to realized human attributes. In it I see all of these and more.

"I see fathers and mothers dwelling less on the horror and tragedy of war and more on its pitiful futility and needlessness. I see children growing to maturity with fixed ideals of love and sympathy and mutual helpfulness. I see mother turned to sympathy, horror to sweetness and hate to love."

Of course, this is only a beginning, only a first step in a course which should be taken up and followed not only by children but also by parents and teachers. Such things take time, just as all growths all evolutions take time. But the Santa Claus ship is on the rising sun, and at the end of its journey lies a greater and better and nobler world.

"Self-sacrifice, love of man to man and child to child, broken barriers of races, religion, nation and language—these will form the cargo of the 'Christmas ship' more truly even than the toys and clothes which comprise its material freight."

"No wonder that great men-of-war should dip their flags to the toy ship—for warriors, like other men, have in them that spark of the divine which needs only the breath of a single disinterested, selfless thought to awaken the highest and the noblest that is in human nature."

"Hats off to the toy ship—to the flag with the single golden star."

Buy the truth and sell it not. Buy it for yourself at whatever cost, at the cost of changing all your habits of life and thought if need be; let your outward life be the true expression of your inner self, never deceive anyone or tell polite lies (society women live greater temptations than others in this respect, but real kindness of heart will prompt genuine expression of kindness); do not appear glad to see company and then say unkind things about them when they are gone; do not indulge in excuses but give your true reasons for doing or not doing things; "to thine own (higher) self be true," keep your mind's eye open to discern truth and error and it will guide you if you will but follow it truly; and "Pilate's question, 'What is truth?'" will be answered to you in part and truth will reveal itself to you as you seek it.

Help Santa Claus.

The Chicago, Burlington and Quincy railroad officials placed its 9,000 miles of tracks, reaching from St. Paul to St. Louis, from Billings, Mont., to Chicago, at the disposal of the committees who are collecting gifts for the Christmas ship which will sail from New York November 10, loaded with presents for the children of the soldiers who are now fighting in Europe.

The order announcing that all shipments for this great national donation would be carried free was received at all the freight offices a short time ago. Not only does this mean that only the main lines will haul free of tariff but that every little branch, stretching in a great network, will carry the presents free of charge. Children in the little village where perhaps only one train a day makes its appearance will have the same opportunity to send a dolly, a jumping jack or something for the needy child to wear as the children in the city.

And you can rest assured that the trainmen will take good care of those precious cars, filled with the presents of the American children for their little brothers and sisters across the sea. They will be billed as "Rush" and great, puffing engines will whirl them at express speed to Chicago where another railroad will take them on to New York.

Sever great American railroads have offered to haul the gifts free of charge as follows:

Chicago, Burlington & Quincy; Chicago, Milwaukee & St. Paul; Lehigh Valley; Erie System; Chicago & North Western; St. Paul & San Francisco; Union Pacific.

No mother should allow her home to be merely a boarding house where the members of the family eat and sleep, while she voluntarily, year after year, consents to be nothing more than chief cook and maid of all work. Rather let home be a dwelling place where time out of school and business hours may be spent profitably.

A CHOICE FARM FOR SALE.

For the next 90 days I will sell my farm, suitable for corn, wheat, oats, hay, tobacco, and in fact anything that will grow in Central Kentucky. A splendid stock farm, watered with a large spring near the residence, good water for all purposes. Fenced so stock can come from all parts of the farm to water. Two residences, two barns, corn crib, wagon shed, buggy house, grainery and wood house; also meat house, stone cellar, and a good hen house. The best fenced farm in this part of Kentucky, with some nice timber, a splendid apple orchard of select fruit. Located on good road 1½ miles from good graded school, with term of nine months a year. Stores, church and shipping point, good neighborhood, good sale for anything that can be raised. For health there is no place it is an beat this location.

Own a farm at the independent. Buy direct from owner and save large commission. This farm has 110 acres of waste land. For price and full particulars write me. Any correspondence answered cheerfully. (5t-pd-10-16)

FOR SALE, ONE HUNDRED GOOD FARMS IN OHIO.

Good roads, good soil, good markets, good schools, good churches, no negroes, and on and near the new C. & O. railroad that is to be built through here in the next two years. The survey runs over a number of the farms, and prices will go up and double in the next two years. Now if you want to buy and are ready to buy come at once. I have the goods and can suit any man. I have a number of fine stock farms for sale from 150 acres to 300 acres, priced from \$6,000 to \$12,500, well improved and well watered. So many people have fooled me lately, I drove to the station August 25 through the rain to meet a man from West Virginia and he never came. I meet the trains rain or shine. Then some have come as sightseers. I want buyers and men that mean business. The titles to these farms are genuine and there are some of the best investments in land here ever offered. I have been dealing in land for ten years and I should be able to know a deal by this time when I see it. Write me and describe what you want and what you want to pay for it; then when you meet me, be sure and come for I will be there. I live 7 miles from the station and will meet the train you say you will be on. Always come on No. 15 on the N. & W. Ry. That gives us more time. Agents wanted in Johnson, Pike, Floyd and Martin counties, also in Boyd county. Will pay any man in these counties one-third of the commission on any farm he may send me a buyer for. Always write me three days before you start, so I can meet you.

PIKE COUNTY NEWS

BANQUET.

The married gentlemen of the Christian Church entertained the married ladies of the church at a sumptuous banquet last Thursday evening. This feast was the result of a contest between the lady and gentlemen members, testing which could produce the best record in a given length of time for attendance, class grades, promptness, etc. It was no surprise when the judges announced that the ladies had won by a safe margin, and in their honor the banquet was given at the gentlemen's expense.

Several courses were served, including oyster soup, oysters fried, coffee, ice cream and cake, and numerous other intermediate dishes. Prof. Rush Deskins, of the Pikeville public school, was toastmaster of the evening, and Rev. G. J. Daniels, attorneys E. D. Stephenson and A. F. Childress with several others were heard in response. The feast continued until a late hour, and the affair was a very enjoyable and successful one.

SAAD'S.

A fire broke out in the Saad grocery store on Division avenue at 8:45 last Saturday evening, and although the fire department acted quickly and effectively, the flames, smoke and water damaged the store to the extent of \$5,000 or more.

The blaze started from a coffee heater, the tank of which was accidentally ignited while filling. Another grocery and jewelry store are located in the same building with the Saad's, and these also sustained considerable damage from the smoke and flames. The store is known as the Leader Grocery. The damage is partially covered by insurance.

Mr. Saad, who was standing near the boiler when it exploded, was badly burned about the head, and narrowly escaped death.

If this building had not been saved by the prompt action of the fire department, a \$100,000 fire could not have been averted.

REVIVAL MAKES PROGRESS.

The revival begun at the M. E. Church South almost two weeks ago by the pastor, Rev. L. N. Fannin and Prof. O. H. Callis has so far been a great and growing success, with a crowded attendance at each evening service.

Evangelist Kenton H. Byrd, who was to have taken charge of the meetings at the commencement of the series, was prevented from doing so by sickness, and only reached here last Saturday at noon. He delivered a strong sermon Saturday evening, notwithstanding his fatigue from a long journey; and again he engaged the attentive interest of a large congregation Sunday morning and evening, at the latter service preaching from the text, "What shall it profit a man to gain the whole world and lose his own soul." Aided by Prof. Callis, the choir master, and the pastor, Mr. Byrd held regular services morning and

evening throughout the week, and he has succeeded in enlisting the popular encouragement with his great work. Especially are the young men of the city interested in the meetings; their presence at each service in large numbers has been an encouragement which the revivalists have not been slow to acknowledge publicly. To Mr. James Rento, teacher and leader of the boys' class at this Sunday School, is due more credit, perhaps, than to any one else for this splendid example set by the young men.

The present indications point most strongly toward a great religious revival at Pikeville, which may in fact prove the greatest the city has ever seen, and its moral effect for good upon the community will be immeasurable.

REV. McLELLAND HERE.

Rev. M. D. McClelland, pastor of the Presbyterian Church at Jenkins, arrived here last Saturday afternoon, and spent the remainder of the day and Sunday as the guest of several of his friends in Pikeville. He also preached morning and evening at the Pikeville Presbyterian Church. Rev. McClelland resigned from his post in this city more than one year ago to become pastor of the new church just starting at Jenkins. Prior to that time he had filled the pulpit of the Presbyterian Church in this city for eight years.

After more than a year's absence, his friends were glad to hear him again, and hope he may often return.

C. C. & O. FINISHED.

The new C. C. & O. railway route through the Breaks of the Cumberland, 34.5 miles in length, is now practically completed. This route, which passes through as rugged a spot as is to be found in America, has 28 tunnels, and all of them are finished. The longest of these is the Sandy Ridge tunnel, 8,000 feet. This link extends from Dante, Va., to Elkhorn City, this county. Its primary object is to form a connecting link between the C. & O. already finished from Dante to Charleston, S. C. This will give a through route shorter in distance between Chicago and the South Atlantic seaboard by some three hundred miles than the routes now traversed. Over this will pass a large portion of the product of the Jenkins and Elkhorn coal fields. Many mining operations in the Sandy and Shelby valleys are making immense preparations to meet the demands for coal as soon as the new road can deliver to southern markets. This is perhaps the country for its length, costing nearly \$5,000,000, and is said to be as perfect a road bed as is to be found in America.

It is understood that the C. C. & O. is also preparing to improve on a large scale its Big Sandy branch. Bridges at different points along this branch originally designed to temporarily carry light traffic are now being replaced

with heavier material, and at a not far distant date the entire line from Ashland to Elkhorn City will be trunked. This is made necessary by the fact that an enormous increase in traffic will result when the new road through the Breaks is put in operation. This will be done immediately after Feb. 1, 1915. The reason for the delay until after that time is said to be that \$90,000 in taxes may be saved on rolling stock.

Another year will see a marvelous change from end to end of the Sandy valley. Before that time the first main line passenger service at an increased speed is expected to be in operation on this branch, and other changes and improvements will have been made to bring the service up to men line rank.

THANKSGIVING SERVICE.

Thanksgiving was most appropriately observed at the M. E. Church South last Thursday morning at 10 o'clock. At this service all the churches of Pikeville united, and all the business houses of the city closed in honor of the occasion. Special music consisting of solos, duets, choral numbers, etc., were rendered by a combined choir, and Prof. O. H. Callis delivered the sermon, in which he compared the present prosperous condition of our beloved land with strife-torn, blood-stained Europe, and said that we have much to be thankful for.

A very large congregation attended.

MRS. FRANCIS' FATHER DIES SUDDENLY.

Mr. John Elliott, father of Mrs. Jas. D. Francis of Scott avenue, died suddenly at his home at Charlottesville, Va., from paralysis Tuesday morning, according to a telegram reaching here Tuesday. Mr. Francis left at noon in response to the message, and he was present at the funeral and interment held at Charlottesville yesterday.

Mr. Elliott had been a sufferer from paralysis for two or three years. He was the grandfather of his daughter in Pikeville recently.

SCHEDULE CHANGE DELAYED.

The plan for a new schedule for train service on the Big Sandy division, as announced in these columns last week, has been completed, but according to advices received here it will not supersede the schedule now in effect until the beginning of the new year. It was originally intended to take effect at once. The inauguration of improved passenger service, through the Breaks when the new C. C. & O. is finished may necessitate still other changes. By the new schedule the trip from Cincinnati to Pikeville can be made as quickly as now, but this may later be modified so as to restore this advantage. The afternoon train making the trip up the Sandy valley leaves Ashland before the Cincinnati train arrives at Ashland, and this is why the trip cannot well be made in one day.

FIVE JUDGES WANT BETTER ROADS.

The county judges of five Big Sandy counties, namely, Boyd, Lawrence, Johnson, Floyd and Pike, will meet at Paintsville, Johnson county, during the second week in January to consider the proposition of building a model highway through all the counties along the Big Sandy river. What the value of such a roadway would be to the people living in all these counties does not need to be indicated. Aside from the immeasurable direct benefit it would be to the public generally, it would serve to show the people what a good road really is, and would perhaps result in the building of many more miles of good roads, where they are most needed.

PIKE PRESS OPTIMISTIC.

Speaking of past and future business conditions in Pikeville, the Pike County News, published here, says the following optimistic words: "We venture the assertion that there is not another town in the state the size of Pikeville that can boast of having created the number of buildings in the past few months that Pikeville has. To its credit, and best of all, the good news is still going on. Not a boom, but a steady growth is the kind that counts, and the numerous buildings that have in so short a space of time been put up here are of the substantial order."

BOOTLEGGERS BOUND OVER.

Kelley Carpenter and Morgan Whitaker, of Magoffin county, arrested and brought to Pikeville Tuesday were arraigned before U. S. Commissioner Gray Wednesday charged with bootlegging. They were bound over for final hearing before the U. S. Court at Caldwellburg.

Mr. T. H. Patrick and seven others of Sulphur Springs were here as witnesses in the case.

ENORMOUS COAL ORDER.

It has been learned here that the Consolidation Coal Co. at Jenkins has received coal orders aggregating 900,000 tons for delivery within the next six months. The larger portion of this gigantic product, however, will be delivered to foreign markets. It is understood that the first consignment is not to go forward until March 1, 1915; by that time the new C. C. & O. route just completed through the Breaks will be in operation and ready to carry the product of the mines to the Atlantic coast for export shipment.

There is no direct confirmation of this statement from any responsible source, but it is generally understood among business men here as an accepted fact. The entire output of the Jenkins and Van Lear mines for the next five years will be consumed in filling this order.

NEWS PLAGIARISTS.

There is at least one other newspaper in the Sandy valley which is plagiarily small enough, and without doubt morally weak enough, to take the fruits of the labors of others while one is looking and sell it to the public as original news matter. The Pikeville correspondent of the NEWS is making every effort to put before its readers each week a concisely written statement completely covering all the news developments in Pike county, and so well has he succeeded that there is scarcely a home in Pikeville and Pike county where the NEWS is not a welcome visitor.

ger
lon, W. Va.

copy the methods by which this paper has built up such a brilliant record, the paper in question has also introduced a Pikeville department to its readers. Its editor is a cheap-skate who is not really able to maintain a correspondent here, but burns the midnight oil in rewriting items clipped from the Big Sandy News printed the week before, which is, of course, stale news. The attention of this correspondent was called to this matter by a certain Pikeville business man who thoroughly understands the situation, and he said he is glad that it has not been his misfortune to be a citizen of the same town with this illustrious editor and his immensely popular journal.

We wish to express the hope that this plagiarism will cease. It is an injustice to the NEWS, which has labored honestly for the success of a new paper, and it is a gross violation of the honor system upon which the success of all reputable news journals is built. The copyright laws of the nation are designed specifically for protection against such frauds, but unfortunately they are not practicable in this instance.

HOLIDAY BAZAAR.

The Ladies Aid Society of the Presbyterian Church have announced that the annual bazaar for the holiday season will be given by the ladies of the church in the church parlors today, beginning at 2 o'clock this afternoon. There will be on sale candies, many different kinds of fancy work of neat and attractive design, suitable for Christmas gifts and home adornment, garments and other articles of utility. The proceeds of the bazaar will be for the benefit of the church, and the public is cordially invited to attend the sale this afternoon. Many pleasing gifts may be found here.

CIRCUIT COURT RESUMES.

After a temporary adjournment, the Pike Circuit Court resumed its work yesterday morning with Judge Robinson on the bench. The coming two weeks will be taken up with the trial of the equity docket, which will wind up the business of the court for the present term. A judicial statement has yet been given as to the point as to when the court will take up the hearing of the 1100 judgments for election bribery returned by the grand jury within the term of the court.

LET US BE ACCURATE.

The Paintsville Herald stated last week in its article on the grand jury's investigation of election bribery charges of election bribery that more than 100 persons in this county were indicted, and that two judges were indicted, charged with the illicit sale of liquor. This is far from correct, and is overdrawn. There were less than a half-dozen persons indicted on the liquor charges, and these were not residents of this state. They were, from the best information to be gathered, from Mingo county, W. Va. The number of true bills returned in the bribery investigation reached 1,124, and the jury adjourned two weeks after the election.

LETCHER COUNTY AND WHITESBURG.

What is Happening in this Rich Coal Territory of Kentucky.

Whitesburg, Ky., Dec. 4.—An unfortunate circumstance took place in the logging work of W. D. Sutton, on the headwaters of the Cowan Creek, a few miles east of here, when John Wright, aged 25, of Floyd county, was struck in the abdomen by a rolling log. Wright's injuries were so severe that he died within a few hours in great agony. His remains were prepared for burial by Undertaker Swisher here, and the body sent home for burial. He has a wife and two children in Floyd county.

"Uncle Billie" Brown, aged about 90, one of the best loved and respected old men in Letcher county, and father of Joe and Dave Brown, carpenters of town, died after a long illness at his home on Elk Creek, in the southern section of the county. "Uncle Billie" leaves many descendants over the county, all of whom were grieved at his death. The remains were brought here for interment in the old Quillen graveyard.

At Carr's Fork, west of here, a day or so ago, "General" Kelley, aged 70, good citizen and well-to-do farmer, died almost suddenly of heart failure. He was a brother of John Kelley, of this place, and was well and favorably known throughout the county.

The many friends of former postmaster Felix G. Fields, of this city, are urging him to become a candidate for the Legislature on the Republican ticket. The district comprises Letcher, Knott and Floyd, and although the district is normally Democratic, Fields will have a large following. There are a number of Democrats spoken of as candidates, although the election is almost a year off. It is difficult now to say what will happen on the 4th of November.

Advices from Hindman state that ex-Legislator R. Lee Stewart, a leading Knott county Republican, is in the field as a candidate for Senator from this district. Mr. Stewart is the son of former Senator Alex Stewart and is well and popularly known all over the district. He has many friends among both Democrats and Republicans.

The Letcher Fiscal Court met here again the past week and made plans for the further expenditure of the county's finances on good roads building, and a considerable amount will be put upon the construction of roads in different parts of the county. At the present time, however, most of the work is being prosecuted in the upper end of the county, where development work is going on and where other pieces of model highway can be constructed.

The model roadway between King and Koma now bears completion, and arrangements are being perfected to build an additional three miles between Koma and Fleming where a connection will be made with a good road to Jenkins, the industrial city. Letcher county no doubt leads all other mountain counties in the interest shown in the construction of model roadways.

Advices from Hemphill, in the coal fields of Boone County, today say three negroes were killed in a difficulty there last night, and that several arrests have already been made. More arrests will follow, it is said. Whiskey and gambling are said to be the direct cause of the trouble and the triple murder. As long as whiskey is allowed in the country just that long crime will stalk our fair Commonwealth and rend our state with bloody wreaths.

Judge Allen W. Young, who recently accepted the general counsel of The Consolidation Coal Co. in this county, with offices here, has opened splendid offices in the First National Bank building, and associated with him will be Judge Beering of Louisville, leading attorney of the State. Judge Young is now out in the State on a professional business trip.

It is said that mining operations which have shown much improvement during the past thirty days, will continue to improve. By the first of the year activities will be at their height. It is said with every mine running full time. Most all the small operating companies have their mines running full time.

The grade work of Upper Main Street, Whitesburg, has been completed and adds much to that end of the town. It is said that the concreting of the sidewalks will be continued until both sides of the street and every cross street will have sidewalks. Thousands of dollars have already been expended on the work, thus Whitesburg goes steadily on, on the march of improvement.

Emin Elam, for three months editor of The Mountain Eagle published here, has resigned his position owing to failing health and has returned to Jackson to be with his family. N. M. Webb, postmaster, who lately gave up the editorship for official duties in the postoffice, will become the editor again. His name will appear again in the next issue of the Mountain Eagle.

For nearly a year it has been at the head of the county.

Mr. Phillips has each Trouble for more than Five Years

Mr. W. R. Phillips, Jr., 139 Madison Ave., Atlanta, Georgia, writes: "I had the catarrh and stomach trouble for more than five years. I faithfully tried all the medicines I saw advertised, and found they failed to cure me. I then heard of Peruna. I purchased six bottles, and after their use I soon discovered that I was well, safe and sound. I now weigh two hundred and ten pounds and have never been sick since I took Peruna. It surely is the best medicine for colds, stomach trouble and catarrh that I ever heard of."
